To Whom It May Concern:

This is to inform you of the availability of an annual scholarship provided by The Ehlermann-Fedderke Descendants Foundation Trust, for graduating seniors and also former graduates of Delaware County public high schools who will be pursuing an Associate, Bachelor or Master's Degree in education, the physical sciences, engineering or other related technical fields. The late Geraldine M. Stiefel, a graduate of Charlotte Valley Central School, set up a scholarship trust to benefit students of Delaware County. All completed applications must be submitted by Friday, April 15, 2022 for consideration. All aspects of the application will be reviewed by a selection committee and special attention will be given to students who demonstrate:

- Scholastic achievement, evidencing the ability to complete the applicant's course of study
- Extracurricular activities
- Good character and maturity, reflecting lifetime skills such as teamwork, responsibility, enthusiasm, independence, respect, honesty, integrity and industriousness
- Financial need

Students who intend to major in engineering shall be awarded the James L. Knak Engineering Memorial Scholarship. The awarding of this scholarship at the student's high school graduation shall include the reading of a biographical sketch of James L. Knak which will be provided at a later date. Students pursuing degrees in education, the physical sciences and other related technical fields will be awarded the Ehlermann-Fedderke Descendants Foundation Scholarship.

The trust principal is currently in excess of \$3,000,000.00 and depending on interest rates will generate a sizeable amount of income for distribution each year. The amount and number of scholarships awarded each year will be decided by the Scholarship Committee based on the number of qualified applicants.

If you have any questions, please feel free to call 855-363-3544 or email the Trust Department at [trust@dnbd.net](mailto:trust@dnbd.net). Thank you.

Respectfully,

Elliott C. Townsend
