

# Mobile Deposit Helpful Hints

When you make a mobile deposit, the funds will not show in your account history until they post to the account. This usually happens within 2 business days. To verify your deposit was captured, go to the Deposit screen and choose View mobile deposit history. (Figure 1)

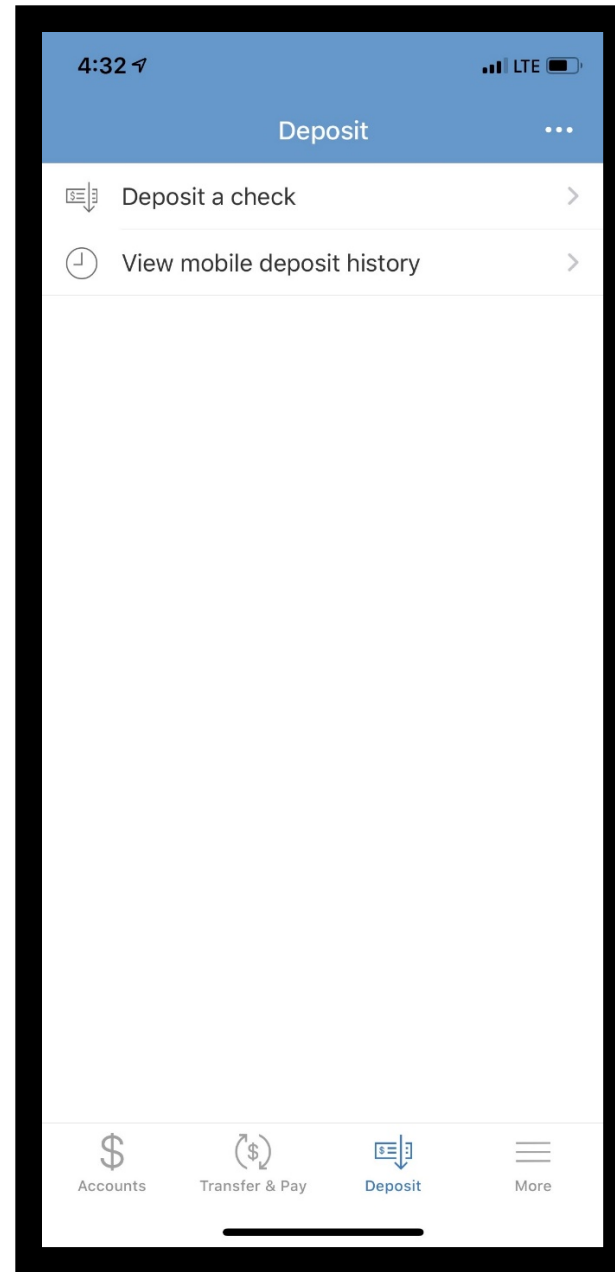

Figure 1

If your deposit was captured it will show as pending. (Figure 2)

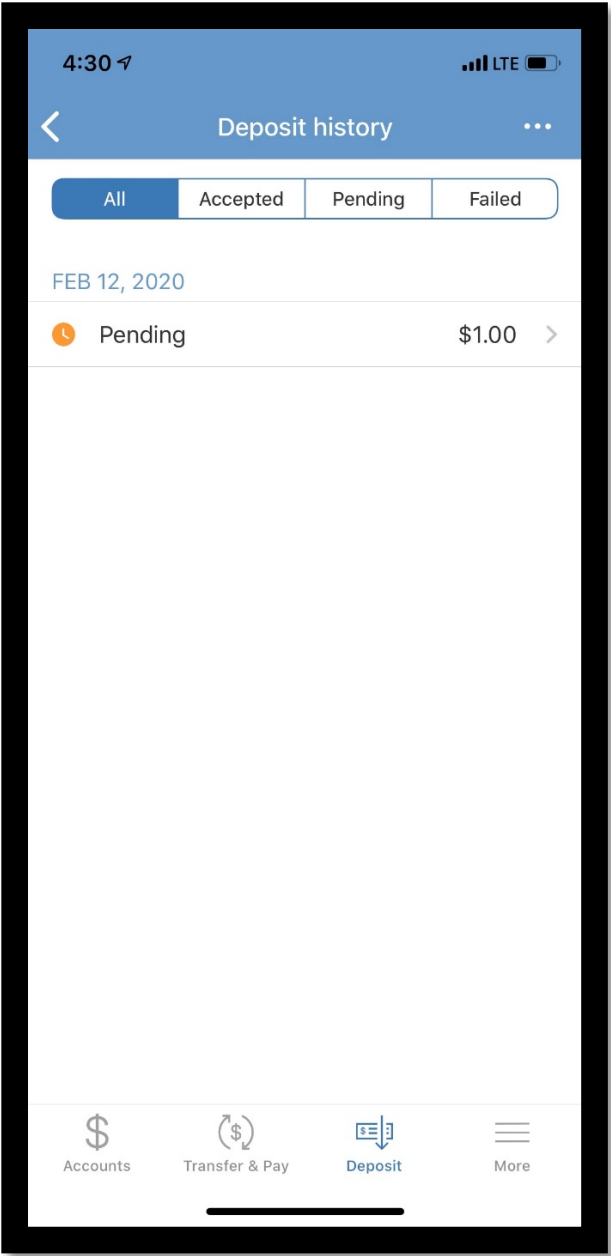

Figure 2

Once your deposit posts, it will show as accepted. (Figure 3)
